This Agreement is between or among the author(s) and Savannah River Nuclear Solutions, LLC (SRNS), incorporated under the laws of the State of South Carolina, under its Contract No. DE-AC09-08SR22470 with the U.S. DEPARTMENT OF ENERGY (DOE), as Managing and Operating Contractor of Savannah River Site (SRS) and the Savannah River National Laboratory (SRNL) and having its principal place of business located at the Savannah River Site in Aiken, South Carolina.

The author(s) grant to SRNS a royalty-free, paid-up, nonexclusive license to:

1. Publish the above-identified Work as part of above-identified conference or publication and in all media, including print, electronic and microfilm;
2. Use the above-identified Work in conjunction with computer systems and/or programs including reproductions or publications in machine-readable form and/or incorporation in retrieval systems;
3. Reproduce and authorize reproduction of the above-identified Work, in whole or in part, by others, including reprints and photocopies;
4. Permit document delivery services, and abstracting and indexing services to include the above-identified Work, in whole or in part, in their services;
5. Use or permit others to use all or parts of the above-identified Work in other works;
6. Translate, or have translated, the above-identified Work into any language and to publish the above-identified Work as translated; and
7. Record, or have recorded on its behalf, a public performance/presentation of the above-identified Work by the author(s) at the above identified conference and distribute copies of such recording in all media, such as, by audiotape, CD, DVD, broadcast, and audio or video digital streaming.

SRNS agrees to give the author(s) proper credit and citation.

The term of the license is for the full term of the copyright for the above-identified Work.

To the best of the author(s) knowledge, the above-identified Work is the author's original work; contains no libelous statements; and does not infringe on the rights of others. Additionally, any excerpts from other copyright protected works are properly credited in the article and used with lawful permission.

To the best of the author(s) knowledge, the above-identified Work has been reviewed for both classified information and unclassified-controlled information [unclassified controlled nuclear information (UCNI), Official Use Only (OUO), and Export Controlled Information (ECI)], and certifies that: (Please check one box)

- the above-identified Work may be released to the public without restriction, or
- the above-identified Work is properly marked with the appropriate restrictive notices relative

to the type of information present.

If there are multiple co-authors, the signing authors confirm they are authorized to sign this Agreement as the agent of and on behalf of all other non-signing co-authors.

SRNS may assign the Agreement without the consent of the author(s).

This Agreement shall be interpreted, and the relation between SRNS and the author(s) shall be construed under the laws of the State of South Carolina, without regard to its choice of law principles.

Note: If you created the above-identified Work during the course of your employment or under an independent contractor agreement or received a grant to fund your Work, please review applicable company, institutional and grant policies and your employment/independent contractor agreement to determine if your employer or another third party owns or exclusively licenses some or all rights in your Work. If you do not own the rights in the Work, then the copyright owner should sign this Agreement instead of you.
