

# Kenneth Dukes

## Director, Operations and Facilities Savannah River National Laboratory

---

### EDUCATION

Univ. of South Carolina, Aiken, Certified Project Manager  
University of Idaho, Certified Human Resources Practitioner

**POSITION** Kenneth Dukes is the Director for Operations and Facilities at the Savannah River National Laboratory (SRNL).

**EXPERIENCE** Prior to assuming the role as the Director for Operations and Facilities for SRNL, Kenneth was the Facility Manager for Operations and Facilities at SRNL. Kenneth has the overall responsibility for Safe, Disciplined Operations at SRNL, to include ensuring compliance with all DOE regulatory Requirements and ensuring that the facility is operated within the bounds of the Safety Basis. Kenneth has more than 30 years of experience in operating Nuclear Facilities at different levels of responsibility. Kenneth served as the Operations Manager for both SRS Chemical Processing Facilities. He also served as the Site Maintenance Program Manager for the Savannah River Site (SRS).

**RECENT NOTEWORTHY** Kenneth is a member of the board for the North Augusta, South Carolina, Arts and Heritage Council.
